JALI

LIVING, DINING & OCCASIONAL

The style of Thacket and Jali furniture has been influenced by the furniture from the times of the Maharaj and is made in quality Sheesham wood (Indian Rosewood). This gives all the pieces of furniture a look of quality and beauty, the wood itself has a beautiful grain.

The Thacket style gives a truly warm look to any home with its traditional clean lines to create a stylish look. There are many items to choose from including CD towers, coffee tables, dining room furniture and various occasional items.

The Jali range is our most extensive range in Sheesham hard wood with over 40 pieces in the range, the range is finished with wrought iron handles and portcullis iron work.

Throughout the brochure you will find that all of the pieces in our range compliment each other, thus there is a wide variety to choose from to furnish any room.

There are styles to suit any home and with the wide range we have to offer we are giving you a home and a lifestyle to be proud of.
